POLICY

The Superior-Greenstone District School Board, through the community involvement requirement, will encourage students to develop an awareness and understanding of civil responsibility and of the role that they can play in supporting and strengthening their communities. Every Ontario secondary student who begins secondary school in Ontario must complete 40 hours of community involvement in order to receive an Ontario Secondary School Diploma.

Community involvement activities may take place in a variety of settings, including not for profit organizations, public and private institutions (including hospitals, literacy groups, churches, and museums), and informal settings.

The Board has developed a list of approved activities that provide a safe, meaningful learning environment.
